## ABOUT ME

My work experience was mostly customer service and managing commercial premises in large stores with staff in charge. I achieved promotions in all jobs and I am currently looking for a change in the course of my working life by wanting to dedicate myself to the IT industry because I am passionate about computer systems and continuous learning.

## LANGUAGES

Spanish · Native  
English · Essential

## KNOWLEDGE

Git & GitHub  
HTML & CSS & JS  
Docker  
Kubernetes  
Linux  
Redes Y Protocolos  
Python

## ACADEMIC TRAINING

- I took self-taught programming courses on Platzi, FreeCodeCamp, Udemy and YouTube.
- Higher Institute of Teachers "Dr. J.V. González", Incomplete to be resumed.
- Argentina Courses Program and Codo a Codo, government programs, Completed.
- University Technician in Programming at UTN, Currently Studying.

## PROFESSIONAL EXPERIENCE

### Fullstack Developer WilDev IT Solutions 2022 · 2023

I am currently working on this project with a friend in which we are looking to develop ourselves in the technology industry and we started this idea to begin taking our first steps.

### Cashier / Salesperson Quiksilver Arg. 2013 · 2018

I started as a salesperson, my tasks included organizing stock, replenishing merchandise and then I got a promotion as a cashier, performing administrative tasks, collecting sales, receiving and disbursing merchandise, among other tasks.

### Sub-Manager Cristobal Colon S.R.L. 2007 · 2012

Before this job I was in other clothing stores that allowed me to have customer service knowledge and be able to improve sales. During my work season I managed to perform the administrative tasks of the premises that I had to work and I had the staff in charge which allowed me to improve interpersonal skills.

## Aptitudes and abilities

- I am characterized by being very responsible and working very well as a team.
- I am always predisposed to new challenges and acquire knowledge that allows me to develop on this new path that I want to begin.
- I am a proactive person who is constantly in search of new knowledge and I feel that I am ready to contribute my skills in the work field and begin to gain experience.
